Hide and Seek

Trish Dibb, Li Changfang, Li Changzhen

We're going to play hide and seek.

First we need one person to be the seeker.

He will close his eyes and count to 30.

The other players need to hide.

The seeker has to try to find them.

The people hiding must be very quiet.

If the seeker finds you, you have to run.

If the seeker catches you, you're IT!
