## Twinkle, Twinkle, Little Star

Twinkle, twinkle, little star.

How I wonder what you are!

Up above the world so high.

Like a diamond in the sky.

Twinkle, twinkle, little star.

How I wonder what you are!

# I'm going up to London

*I'm going up to London.  
Can't you see.  
I'm riding on my bicycle to buy a cup of tea.  
I'm going up to London.  
Can't you see.  
I'm selling in my bird to buy a cup of tea.  
I'm going up to London.  
Can't you see.  
I'm riding on my motorbike to buy a cup of tea.  
I'm going up to London.  
Can't you see.  
I'm riding on my truck to buy a cup of tea.  
I'm going up to London.  
Can't you see.  
I'm riding in the bus to buy a cup of tea.  
I'm going up to London.  
Can't you see.  
I'm driving in my motorcar to buy a cup of tea.  
I'm going up to London.  
Can't you see.  
I'm flying in my airplane to buy a cup of tea.*

## Old MacDonald had a farm

Old MacDonald had a farm E I E I oh.

## London Bridge

London bridge is falling down, falling down, falling down.

London bridge is falling down, my fair lady.

Build it up with iron bars, iron bars, iron bars.  
Build it up with iron bars, my fair lady.

Iron bars will bend and break, bend and break, bend and break.

Iron bars will bend and break, my fair lady.

Build it up with pins and needles, pins and needles,  
pins and needles.

Build it up with pins and needles, my fair lady.

Pins and needles will rust and bend, rust and bend,  
rust and bend.

Pins and needles will rust and bend, my fair lady.

Build it up with gold and silver, gold and silver,  
gold and silver.

Build it up with gold and silver, my fair lady.

Gold and silver I've not got, I've not got, I've not got.  
Gold and silver I've not got, my fair lady.

## Top of the world

Such a feeling's come over me.  
There is wonder in most everything I see.  
Not a cloud in the sky. Got the sun in my eyes.  
And I won't be surprised if it's a dream.  
Everything I want the world to be.  
Is now coming true especially for me.  
And the reason is clear, it's because you are here.  
You are the nearest thing to heaven that I've seen.  
I'm on the top of the world looking down on creation.  
And the only explanation I can find.  
Is the love that I've found ever since you've been around.  
Your love put me at the top of the world.  
Something in the wind, has learnt my name.  
And it's telling me that things are not the same.  
In the leaves of the tree and the touch of the breeze.  
There's a pleasant sense of happiness for me.  
There's only one wish in my mind.  
When this day is through I hope that I will find.  
That tomorrow will be just the same for you and me.  
All I need will be mine if you are here.  
I'm on the top of the world looking down on creation.  
And the only explanation I can find.  
Is the love that I've found ever since you've been around.  
Your love put me at the top of the world.

# Red river valley

From this valley they say you are going  
We will miss your bright eyes and sweet smile  
For they say you are taking the sunshine  
That has brightened our path for a while  
Come and sit by my side if you love me  
Do not hasten to bid me adieu  
But remember the Red River Valley  
And the cowboy who loved you so true

Won't you think of the valley you're leaving  
Oh how lonely, how sad it will be?  
Oh think of the fond heart you're breaking  
And the grief you are causing to me

As you go to your home by the ocean  
May you never forget those sweet hours  
That we spent in the Red River Valley  
And the love we exchanged mid the flowers

## All I want for Christmas is my two front teeth

Every body stops  
and stares at me  
These two teeth are  
gone as you can see  
I don't know just who  
to blame for this catastrophe!  
But my one wish on Christmas Eve  
is as plain as it can be!  
All I want for Christmas  
is my two front teeth,  
my two front teeth,  
see my two front teeth!  
Gee, if I could only  
have my two front teeth,

then I could wish you  
Merry Christmas.  
It seems so long since I could say,  
Sister Susie sitting on a thistle!  
Gosh oh gee, how happy I'd be,  
if I could only whistle (thhhh)  
All I want for Christmas  
is my two front teeth,  
my two front teeth,  
see my two front teeth.  
Gee, if I could only  
have my two front teeth,  
then I could wish you  
Merry Christmas!

## "Que Sera, Sera"

from THE MAN WHO KNEW TOO MUCH (1956)  
words by Ray Evans and music by Jay Livingston

Doris Day Born 1924

When I was just a little girl  
I asked my mother  
What will I be?  
Will I be pretty?  
Will I be rich?  
Here's what she said to me:

Que sera, sera.  
Whatever will be, will be.  
The future's not ours to see.  
Que sera, sera.  
What will be, will be.

When I grew up and fell in love  
I asked my sweetheart  
What lies ahead?  
Will we have rainbows  
Day after day?  
Here's what my sweetheart said:

Doris Day  
Photo Date: 1965

Que sera, sera.  
Whatever will be, will be.  
The future's not ours to see.  
Que sera, sera.  
What will be, will be.

Now I have children of my own.  
They ask their mother,  
What will I be?  
Will I be handsome?  
Will I be rich?  
I tell them tenderly:

Que sera, sera.  
Whatever will be, will be.  
The future's not ours to see.  
Que sera, sera.  
What will be, will be.  
Que sera, sera.
